### **Awareness:**

While the SNSIs of NJROTC units are responsible for implementing hazing and bullying prevention programs, The goal of the program is that it should be led by the NJROTC unit's cadet leadership. The unit's program must ensure cadets can report improper conduct without fear of reprisal and take corrective action as deemed necessary to prevent recurrence in accordance with school policies regarding misconduct.

### **Definitions:**

A. **Hazing** is the practice of rituals and other activities involving harassment, abuse or humiliation used as a way of initiating a person into a group. Hazing is any action or situation, with or without the consent of the participants, which recklessly, intentionally, or unintentionally endangers the mental, physical, or academic health or safety of a student.

B. **Bullying** is any type of unwanted, aggressive behavior that involves a real or perceived power imbalance with the intent to abuse, embarrass, control and/or harm the victim. Bullying can be physical, verbal or written (to include social media).

C. **Cyber bullying** is bullying that uses electronic communications devices, and it cannot be ignored as an avenue for bullying and sexual harassment. With the proliferation of social media, most students are aware of cyber bullying immediately and quite often know the perpetrator and the victim. However, most cyber bullying goes unreported. Nobody deserves to be bullied or sexually harassed, and it is our shared responsibility to ensure it doesn't happen.

D. **Sexual harassment** is bullying of a sexual nature and includes the creation of an atmosphere of fear or mistrust. Hazing/bullying is not acceptable in any form in the NJROTC program.
